

Lofberg Netball Courts

Ku-Ring-Gai Shooting Centre Court & Defence Academy

Join Australian and NSW netballer Susan Pettitt and her NSW teammates for the 4 week programs specialising in your chosen position. The Shooting, Centre Court and Defence Academies will run side by side over the 4 weeks, and often call on each other to help practice skills against one another and get the most of each other. An amazing opportunity to learn from some of Australia's best netballers.

The program is only opened to 20 players per academy (shooting, Centre Court or Defence) per age group to maximize the most out of each participant. Take the next step in your game!

Session 1: Tuesday 13th November
