5	11 May, 2019	WP6	Emelia Merchant	0402367806	2:10

Your team has been allocated tent and table duty. You can either take down the tent and table before or after your game. Please place the tent back in its cover and along with the table return it to the shipping container for storage. Anything left on the table please place on the bench seat.

If you are unable to fulfil your team's allocation please organise with another team to do it for you.
